- Quiet and emission-free
- Can be driven at full height
- Automatic levelling outriggers
- Automatic display of fault code for easy maintenance
- Automatic pot-hole protection
- 4 x 4 steering

IPAF Category **3a**

Do you hold a valid operator's licence?

The Powered Access Licence (PAL) Card is recognised worldwide as proof of platform operator training to the highest standard.

It is issued by the International Powered Access Federation (IPAF) to platform operators who successfully complete a training course at an IPAF approved training centre.

Quick checklist for employers and operators using powered access machines:

- ✓ **I have an IPAF PAL card**
- ✓ **Date is still valid (Licence expires after 5 years)**
- ✓ **All categories for the machine's being used are listed on the PAL card (e.g. 3a, 3b, PAV).**

If you can answer yes to all three, you're good to go!

If not, please call us to discuss your requirements and arrange a training course.

Dingli JCPT2212DC Scissor Lift

Dimensions	JCPT2212DC
Work Height	22.00m
Raised Platform Height	20.00m
Overall Width	1.25m
Overall Length	4.72m
Stowed Height (Rails Up)	3.82 m
Stowed Height (Rails Down)	2.99m
Platform Size (Length x Width)	4.30m x 1.19m
Platform Extension Size	1.80m
Star Group Code	SE6649
Specifications	JCPT2212DC
Ground Clearance (Raised)	0.20m
Ground Clearance (Stowed)	0.20m
Wheelbase	3.18m
Weight	12,350kg
Gradeability	25%
