

Power Tower Pecolift

Push Around Lift

It's so easy, fast and efficient to use, it's intuitive. Just step in and turn the handle! And you don't need power; no batteries to charge or mains power consumption.

- Step into the platform, no climbing
- Intuitive to operate - turn handle to elevate
- Patented* lift mechanism, no power required
- 'Auto-lock' brake on elevation
- Lightweight, easy to manoeuvre
- Small footprint (985mm x 700mm)
- Unlimited lift cycles, can be used 24/7
- Robust design for years of trouble free service
- Minimal operational costs, virtually maintenance free
- Pecolift is very 'Eco-friendly'
- No batteries means no power consumption for charging, no battery acid spills, no hydrogen gases
- No hydraulic oil means no spills
- CE marked and fully complies with the requirements of EN280 2009
- Independently third party approved by SGS International

IPAF Category PAV

Do you hold a valid operator's licence?

The PAL Card (Powered Access Licence) is recognised worldwide as proof of platform operator training to the highest standard.

It is issued by the International Powered Access Federation (IPAF) to platform operators who successfully complete a training course at an IPAF approved training centre.

Quick checklist for employers and operators using powered access machines:

- ✓ I have an IPAF PAL card.
- ✓ Date is still valid (Licence expires after 5 years).
- ✓ All categories for the machine's being used are listed on the PAL card (e.g. 3a, 3b, PAV).

If you can answer yes to all three, you're good to go!

If not, please call us to discuss your requirements and arrange a training course.

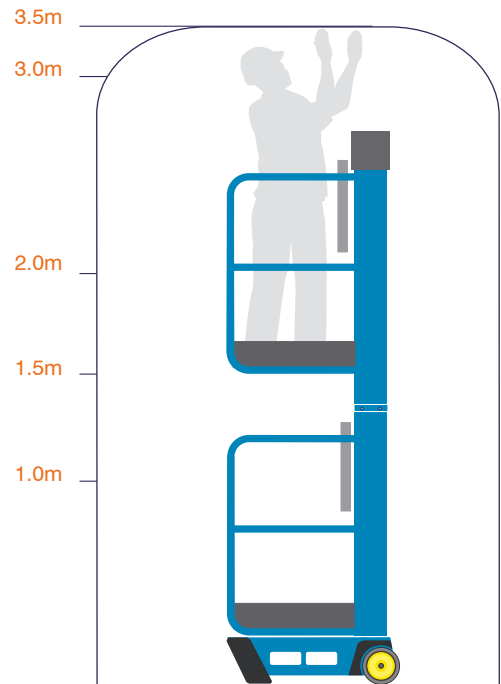

Pecolift

Push Around Lift

Working Dimensions	Pecolift
Maximum working height	3.50 m
Maximum platform height	1.50 m
Stowed length	985 mm
Stowed width	700 mm
Safe working load (1 person + tools)	150 kg
Basket length	720 mm
Basket width	600 mm
Maximum manual force	200 N
Maximum gradient for operation	0 degrees
Maximum wind force: Internal use only	0 (zero) mph
Maximum wheel force	25 kg
Maximum castor point load	125 kg (1.23kN)
Sound pressure level	<70DbA

Closed Dimensions	Pecolift
Length	985 mm
Width	700 mm
Height	1.55 m
Weight	180 kg

EASY...

- 1 Step into the machine...
- 2 Simply turn the handle...

Gone are the days of climbing steps or podiums,
no more slips, trips or having to balance!

FAST...

- 3 and elevate to your working height.

Stop wherever you want
up to 3.5m working height.
